

PERSONAL STATEMENT

I'm a 25 years old GUI Designer & Freelance Designer from China. I love everything that has to do with interface design & development, Motion design and I feel a true devotion for UI-Interaction.
I have 3 years of experience working as a designer and working on an Internet company, and I'm ready for visiting other countries & working for any company! I love working with people, specially if they have the same passion I have for what they do.

Why don't we work together? Go futher down to see why I am the man you need to hire!(Don't forget to check my personal website!)
